

## 3 AMENDMENTS FOR NOV. ELECTION

TO BE SUBMITTED TO ELECTORS OF MICHIGAN.

At the election to be held in this state on Tuesday, November 7, 1922, there will be submitted to the electors three proposed amendments to the Constitution of the state, as follows:

A proposed amendment to the Constitution providing that Article XIII be amended by adding a section to be known as section 5, to read as follows:

Sec. 5. Subject to this Constitution the legislature may authorize municipalities, subject to reasonable limitations, to condemn and to take the fee in more land and property than is needed in the acquiring, opening and widening of parks, boulevards, public places, streets, alleys, or for any public use, and after so much of the land and property has been appropriated for any such needed public purpose, the remainder may be sold or leased with or without such restrictions as may be appropriate to the improvement made. Bonds may be issued to supply the funds to pay in whole or in part for the excess property so appropriated, but such bonds shall be a lien only on the property so acquired and they shall not be included in any limitation of the bonded indebtedness of such municipality.

This proposed amendment, if adopted, will empower the legislature to authorize municipalities to acquire land and property in excess of that needed for parks, boulevards, streets, etc., and issue bonds for the payment of same.

A proposed amendment to section 3 of Article X, to read as follows:

Sec. 3. The legislature shall provide by law a uniform rule of taxation, except on property paying specific taxes, and taxes shall be levied on such property as shall be prescribed by law. Provision may be made by law for a tax of not to exceed four per centum upon or with respect to the net gains, profits and incomes, from whatever source derived, which tax may be graduated and progressive and which may provide for reasonable exemptions.

For the purposes of such tax, property and incomes, firms and corporations upon which such tax may operate may be classified. The legislature shall provide by law a uniform rule of taxation for such property as shall be assessed by the state board of assessors, and the rate of taxation on such property shall be the rate which the state board of assessors shall ascertain and determine, is the average rate levied upon such property upon which ad valorem taxes are assessed for state, county, township, school and municipal purposes.

This proposed amendment, if adopted, will authorize the enactment of an income tax law providing for a tax of not to exceed four per centum

upon net gains, profits and incomes, and providing for a classification of property and persons upon which such tax may operate.

A proposed amendment to Article XIII, by adding section 30, to read as follows:

Sec. 30. The legislature may provide for the incorporation of ports and port districts, and confer power and authority upon them to engage in work of internal improvements in connection therewith.

This proposed amendment, if adopted, will authorize the legislature to provide for the incorporation of ports and port districts with power to engage in work of internal improvements in connection therewith.

**GOVERNMENT WANTS FARMERS TO USE PICRIC ACID.**

Claims It Cheap Way To Clear Land of Stumps.

Mr. Marius Hanson, Grayling, Mich.

Dear Mr. Hanson:

We have sent you publicity matter regarding the securing of Government Picric Acid but I find it at up-to-date only a few cars have been ordered for Northeastern Michigan.

It seems to me that since the farmers need the acid, not necessarily for clearing up more land but for clearing up some of the land which they are already using, that it is quite important that those who can use this acid should be enabled to get it at the price offered. Price is about 134 cents a pound which is much cheaper than dynamite.

Perhaps one trouble is that the farmers are finding a little difficulty in financing the acid in carload lots. I am writing to you suggesting that you bring to the attention of our business men the advisability of in some way securing a carload for use in your locality.

Dealers in dynamite should have no objection to it. It is work for it will only mean that sooner or later they will sell greater quantities of the dynamite owing to the impetus given to clearing up the old stumps and stumps on the farm.

It might be of interest to you to know that at the Land Clearing Schools being put on by the Land Clearing Section of the Extension Division of the Agricultural College, in co-operation with the Railroads and the Development Bureau, are meeting with very enthusiastic support in Northeastern Michigan. We are holding these two schools established in this district at the present time.

Orders can be placed thru County Agricultural Agents of County or adjacent counties, Supervisors or County Clerks. Carload requires \$20,000 bonds amounting to \$27,000. Michigan allotment is \$22,400. Payment which must be taken before January 1, 1923.

Yours truly,

T. F. Marston,

Secretary and Manager,

Northeastern Mich. Development Bureau

## 32 LAND CLEARING SCHOOLS TO BE HELD IN N. E. MICHIGAN

Land clearing schools, under the auspices of the Michigan Agricultural College will be held at over 30 places in Northeastern Michigan during the coming fall. At a conference attended by L. F. Livingstone, head of the land clearing department of the M. A. C. extension service, his assistants, N. A. Keeler, E. J. Leenhouts, of Detroit, assistant agricultural agent of the New York Central lines, T. F. Marston secretary of the Northeastern Michigan Development Bureau, held in the latter's office Thursday, plans for carrying on the schools were partially completed.

The work is being done through the co-operation of the M. A. C., the Michigan Central and the Detroit & Mackinac railroads and the county agricultural agents who have arranged for the schools in those counties having such agents. While in other counties the arrangements have been made by the Development Bureau.

Every one of the 16 counties will have at least one of these schools, while some of them have arranged for four.

At these schools actual land clearing, with the use of explosives, is carried on by a corps of experts sent out by the college, who are assisted at each place visited by the owner of the land on which the work is done and by others who are interested in the proposition. The railroads at their part by providing transportation for the "school" crew, materials and implements, while each community pays a portion of the cost and the farmer on whose property the work is done pays for the explosive used and provides a noon-day meal for the members of the party.

As 32 schools have already been arranged in the district and it is possible that a few more will be added, the whole day is spent at each spot, it will require considerable over a month to complete the tour in Northeastern Michigan after which similar work will be done in the western part of the state.

A conference of representatives of the traffic departments of the Detroit & Mackinac and the Michigan Central railroads and representatives of the M. A. C. will be held at the Development Bureau office early next week at which the itinerary of the "land clearing special" will be mapped out.

**FRUIT IS CHEAP THIS YEAR. CAN PLENTY FOR NEXT WINTER.**

By F. F. Rockwell, Horticultural Editor of "Farm and Fireside."

This year should be a "red letter" year on the housekeeper's canning calendar.

There is really no excuse for any housewife who omits the canning of fruit from her fall program.

Sugar has not been so cheap for a long time, and when you can buy twenty-five pounds for a dollar you can ask nothing more from the sugar trust!

The fruit crop, moreover, has been more abundant than in many years past, and peaches, apples and pears can be bought for such a low price that canning really pays even if we do not raise the fruit ourselves. And those who do grow their own fruit, in addition to having plenty to sell, have ample left over to can and to make into fruit jellies.

Use the Easy "Cold-Pack" method. The safest, surest and most scientific way of modern canning, of course is the cold-pack sterilization method, either with clothes boiler, raising the filled jars on rack or small sticks, or with some of those splendid sterilization outfits that are now found on the market. How frequently do we find, however, that good, old-fashioned common sense cooks, generally in the country, who proudly boasts of never having "lost a single jar" of fruit. And this wizard of a woman never dreams of sterilizing her jars, but merely trusts to thorough jar washing and new rubber rings and absolutely tight-screwed covers.

Whatever method you may employ, however, though the novice in the art of canning, and possessing will do well to stick to the thorough and sure sterilization method, be sure to put up all the fruit you possibly can can or make into fruit jellies this year.

**What You Can Do With Peaches.** Consider all the various ways in which you can use the peaches, for instance, canned peaches, peach butter and peach jelly and peach syrup. Have you tried them all? Almost every housekeeper has canned peaches, but how about those unusual ways of preserving them that will surprise the family and save every bit of the peach.

As you cut the peaches for canning, you, if you are wise in the art of canning, naturally only pick out those that are absolutely fresh and quite perfect for this purpose. This year save those that you would otherwise discard, and set them aside and later prepare them for peach butter. All the preparation needed for this, is to cut out the bad spots carefully, remove the "fuzz" of the peach, with a damp cloth, but not peeling them, and place them in a very little water in a pressure kettle. Stew them until they are absolutely tender. Put this mixture through a fruit press or colander, sweetening the pulp thus secured with a little sugar to taste, and boiling until it is thick and rich in color. It must be stirred constantly to prevent burning. Then pour into sterilized jars and seal at once.

**Save the Peelings to Make Peach Jelly.**

Never throw away those precious peach peelings left after the peaches

## For a Better Town

Conducted by Grayling Board of Trade.

Prospects are still good to land that factory. What are you doing to make it a sure thing? Every business man should buckle in and boost for it as well as give his financial support. Every property owner should lend his moral and financial support. Let's go.

How about that feed barn and blacksmith shop to accommodate our farmers? Don't lose sight of that proposition. It must be done.

That good old friendly feeling is beginning to show among our merchants and business men. Let's keep it coming.

**GRAYLING IS AWAKENING. WE ARE GOING FORWARD. WE SHALL NOT RETREAT.**

Let this be the watch word. Progress and then more progress. Let every body lend a hand; all be boosters and then we will have a town to be proud of. Lend all the encouragement and help you can to the Board of Trade. They are working night and main for you. And there are some pretty good fellows connected with the Board. Mr. Marius Hanson has donated a Radiophone and has had it installed in the Board of Trade rooms for the benefit of our citizens. Mr. Conline has donated the use of his beautiful park on the East Branch of the river to the public at large and the Board has fitted it up as a splendid camp site. Mr. Schumann is donating week after week valuable space in the Grayling News for the benefit of the progress being made by the Board of Trade, and many others are doing hundreds of things to help to develop our town. And all they ask from you is to stand by them and do your mite toward developing and making it a prosperous community.

The Board is now working as you all know on the proposition of getting a sort factory here and the prospects are now exceedingly good, and if we succeed, it will be a wonderful asset to the town. Mr. R. Hanson with his usual generosity has come forward and donated a site and a substantial sum of money and other good citizens are contributing liberally, but we need a little more and we expect every citizen to do his share. If you can't subscribe, help to boost, encourage, do not discourage those who are trying to make the banner of progress. The Board is not going to relax until they have accomplished their purpose of developing and creating a larger Grayling. So we ask everybody in the community to come forward and show us your approval of our work.

**GRAYLING BOARD OF TRADE.**

Holger F. Peterson, President.

**PRO BONO PUBLICO.**

Have been peeled and sliced for canning. If quinces are to be had, a few will make a long way in making either jelly or jam. Quince jelly is most delicious and is an easy jelly to make.

**Make Your Own Grape Juice.**

Grape jelly is equally desirable. And in this age of the Volstead Act, there are few families who can afford to be without this refreshing grape juice to help make the summer heat bearable and to brighten up the festivities of winter. Cook the grapes most thoroughly, strain them, and cook the juice, heating it to at least 110 degrees. Pour it into sterilized bottles and dip each corked top into melted sealing wax, so that each bottle top is completely air tight. It is a very good idea to send to your local equity agent to procure the latest bulletin on canning and preserving. Cut the peaches into quarters, after removing the cores and skins, and slice the quarters thinly into cross-cut shaped bits. Boil these thoroughly in a heavy syrup flavored with a few finely cut lemon slices, and chopped up candied ginger, which can be bought at high grade candy shops.

Have your prescriptions filled at the Central Drug Store.

And when you can't find the time to do up some "peach crisps." There again, you can economize. By using this, preserve the peaches of second grade, that are not quite perfect enough for canning whole. Cut the peaches into quarters, after removing the cores and skins, and slice the quarters thinly into cross-cut shaped bits. Boil these thoroughly in a heavy syrup flavored with a few finely cut lemon slices, and chopped up candied ginger, which can be bought at high grade candy shops.

## FARM BUREAU NOTES

R. D. BAILEY  
County Agricultural Agent

**LIMESTONE LEGUMES LIVESTOCK**

**MEAN PROFITS IN FARMING**

What the Farm Bureau Has Done For You.

On June first the Michigan State Farm Bureau opened in Detroit, a Farm Produce Exchange, to which farmers cooperative organizations may ship produce for sale.

This Exchange issues a daily market report which can be seen at office of County Agent.

Each spring sends expert wool graders to any county that wishes, to grade wool as brought to car.

Allows farmers to ship individually to wool department in Lansing and pays 40 per cent of value on arrival.

Made it possible for every Crawford County farmer to secure the most absolutely pure, certified, farm seed at lowest possible prices.

About fifty took advantage of it. Offered you a chance to get all seeds, salt, binder twine, harness, fertilizer, coal, cement, paint, feeds, blankets, yarn, dress goods, suitings, horse blankets at lowest possible price.

**Exchange Stops Business; Railroad Withdraws Increase.**

When a Michigan railroad boosted wheat rates 30¢ a bushel out of the way \$1.50 a ton the Elevator Exchange routed 500 cars of business around that road. The road dropped the increase. Farmer organization saved tributary shippers to that road \$51 on every 1,700 bushel car of wheat \$20 on a 1,600 bu. car of oats, \$18 on a 12 ton car of hay. Does cooperation pay?

The State Farm Bureau seed department distributed 200,000 lbs. of Grimm alfalfa this year. It is the biggest Grimm distributing agency in the United States.

The Indianapolis Cooperative Live Stock Commission, whose business has passed 140 carloads weekly. Last week the Michigan Live Stock Exchange Co-Op, commission House at Detroit handled 71 cars, 78 the week before.

**Agriculture Has Big Inning At Washington.**

Very important steps in agricultural progress within the past few weeks have been Congressional action in placing a farmer representative on the Federal Reserve Board to adequately represent agricultural credit needs, also action of the House of Representatives in adopting the Voight Filled Milk bill, which makes illegal interstate commerce in artificial condensed milk, wherein coconut or other vegetable oil is substituted for butterfat. The ten per cent freight rate out ordered by the International Commerce Commission on all but agricultural products will save farmers about \$127,000,000 as the purchasers of other commodities. Farmers got their ten per cent rate cut last January and July it was to be extended and to be made general on agricultural commodities, according to the State Farm Bureau.

**Farmers Got Needed Help From Congress.**

Farmers got results in the last session of Congress. In their interests the American Farm-Bureau Federation interested itself in some 30 bills of great importance to farmers. Many of these are now law; others were defeated as unfavorable to farmers' interests, says the Michigan State Farm Bureau, which assisted the nation, said the Farm Bureau. The in presenting the farmer point of view to Congress.

Congress passed at the last session more agricultural legislation than any other congress in the history of the

nation, said the Farm Bureau. The law-makers required, not a little help and considerable prodding. The American Farm-Bureau furnished both and got satisfactory results largely through its active support of the Farm Bloc.

**Laws Bureau Supported.**

Farm Bureau supported bills which are now law follow:

The Agricultural Credits Act extending life of the War Finance Corporation, making possible the extension of many farm loans.

Bill legalizing co-operative marketing. Removed legal uncertainties hampering farmers' cooperative marketing.

Bill regulating packers and stock yards. Producers' interests are now protected.

Federal Farm-to-Markets road program in place of automobile boulevard system.

Provided funds to carry on tuberculosis eradication work.

Put farmer on Federal Reserve Board to protect farmers' interests.

Keep U. S. Department of Agriculture appropriation at efficiency point. Passed Federal highway appropriation bill as desired by farm interests.

**PASSED 18 LAWS HELPFUL TO MICHIGAN AGRICULTURE.**

**Farm Bureau Got Action on Needed Live-Stock, Fruit and Marketing Laws—Helped Cut \$44,000,000 Off Tax Roads—Income Tax Up to You.**

Michigan farmers have 97,000 members of the State Farm Bureau to thank for 18 new laws beneficial to Michigan farmers. The laws were enacted by the last Michigan legislature. Farm Bureau members made known that these laws were needed and the State Farm Bureau represented those needs and got results. Nothing came for the mere asking. The Farm Bureau had to shoulder its way through with the farmers' business. Hundreds of bills were offered that never again saw the light of day. The Farm Bureau was big enough to demand recognition and got it. The Michigan legislature passed more beneficial farm legislation in 1921 than any other Michigan legislature. It was the first time that Michigan farmers had presented a united front in legislation.

**What Income Tax Means.**

The Farm Bureau, the Grange, the Farmers and Canners put the state income tax law through the legislature. It is now up to the people and especially up to the farmers this fall to say with their votes whether or not all persons and especially hidden millions in intangible property shall not be required to carry a just share of the state's taxation burdens. Today real estate is carrying 80 per cent of the burden.

## LOCAL NEWS

THURSDAY, SEPTEMBER 7, 1922.

Prescriptions carefully compounded.  
Central Drug Store.

G. Fritz of Traverse City visited at the home of R. D. Connine Labor Day.

James Brown was called to Lansing Tuesday morning by the death of his father.

One lot of Patton's Sun Proof paint, our best house paint at \$2.45 per gallon.

Sorenson Bros.

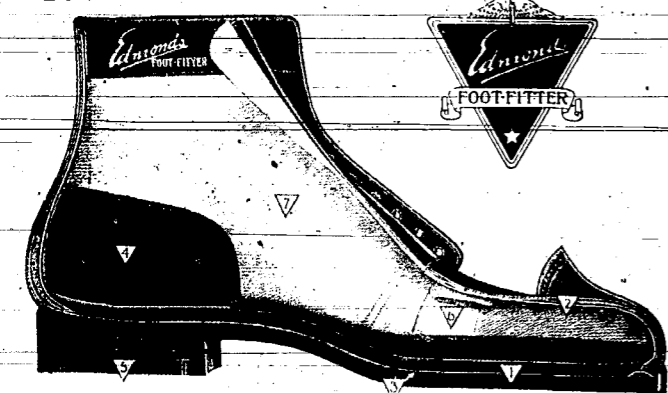

Mr. and Mrs. James Wingard enjoyed a motor trip to Petoskey and Charlevoix Sunday.

Guy Bock, who has been visiting relatives in Detroit during the summer vacation, has returned here to attend school.

Mrs. Andrew Brown, son Roy and daughter Miss Kathryn were called away by the illness of a relative. They left Tuesday for Detroit and Saginaw and expect to be gone a week.

Mrs. E. Matson and son Stanley and daughter Elizabeth returned from a vacation at Lake Michigan Sunday.

Hammond in Bay City. They also visited Miss Janet Matson, in Flint Saturday. The latter is employed in that city.

## Seven Points of Supremacy

1. The sole leather used in "FOOT-FITTERS" is of the best quality obtainable. Even the insoles are cut from standard outside leather.
2. "FOOT-FITTERS" are the only shoes in the world having full length vamps and sole leather box toes. This feature prevents ripping at the tip and makes a smooth outer and inner surface.
3. The insoles are shoulder channelled so that they fit tightly against the sole. There is no need of room for a cork filler. A small piece of duck is used to prevent squeaking.
4. The calf skin inside counter pocket is of great value, for it saves the wear on the heels. There is no rough surface to rub against.
5. "FOOT-FITTERS" heels are 1 1/2 inch longer than generally used. They give additional support to the arch and increase the comfort and wear of the shoe.
6. The vamp is reinforced with 8-oz. duck. This absorbs the moisture from the foot. This keeps the vamp from cracking and holds the shoe in shape.
7. Edmond's "FOOT-FITTERS" shoes are called "FOOT-FITTERS" because they fit the foot snugly. Built on combination lasts they support the foot like a doctor's bandage. "FOOT-FITTERS" give Comfort, Service and Appearance.

**These Shoes**  
are worthy of their name

and we have all sizes and widths in stock and in the three last—broad toe, medium toe and English.

**Come in and look them over**

**E. J. OLSON**

Exclusive Dealer For Edmond Foot-Fitters and Converse Rubber Footwear.

Walter Cowell a visiting friends in Detroit for a few days.

Prescriptions carefully compounded.  
Central Drug Store.

Miss Bertie Stone left Thursday for Detroit where she will be employed.

P. G. Zalsman left Wednesday for Detroit to take some fish to the state fair.

Amos Colbath of Detroit visited his parents Mr. and Mrs. N. Colbath a few days last week.

William Waldhauser of Bay City visited his sister Mrs. John Isenhauer over Labor Day.

Bernie Bayn of Flint is assisting in the shoe repairing department of the E. J. Olson shoe store.

Tony Nelson is driving a Cadillac touring car he purchased the latter part of the week in Bay City.

Sidney Gassel of Detroit is visiting at the home of his uncle M. Brenner for a few days this week.

Mrs. Charles Sullivan and children returned to the first of the week from a visit with relatives in Onaway.

The picnic rally of the Michelson Memorial church will be postponed if the weather is not favorable.

Mrs. Charles Lytle and children returned Saturday from a visit with her mother Mrs. A. B. Foor at Manton.

Mr. and Mrs. Elmer Barber of Detroit are visiting friends in the city a few days. They were at one time residents of Grayling.

Everything going at cost. The best opportunity ever before the people of Grayling to do their fall re-furnishing so cheaply.

Mr. and Mrs. P. C. Olson of Manistowic stopped at the home of Mrs. Charles Lytle last week enroute to Detroit to visit relatives.

Mr. and Mrs. Martin Nelson who have been visiting the latter's sister Mrs. Hans Peterson returned Saturday to their home in Ann Arbor.

Born to Mr. and Mrs. Arthur Capstraw of Detroit on Sunday Sept. 3rd, a daughter. Mrs. Capstraw was formerly Miss Frances Trudeau of this city.

Next Sunday is the last Sunday of the year at the Michelson Memorial Church. You will want to be at this service. Good singing and a special time for all. Evening service at seven-thirty.

Don Reynolds has returned from a visit with relatives in Au Gres. He was accompanied by his nephew Ellis Daugerty who had spent the summer in Au Gres.

Mr. and Mrs. George Nolan and daughter Marie of Rosebush, Mich., were guests of William McNeven and family from Thursday until Monday. They made the trip by motor.

Mr. and Mrs. Esau Barber of Detroit announce the birth of a son, Frank Douglas on August 18. The little fellow weighed 7 1/2 pounds. The mother was formerly Miss Andora Parsons of Maple Forest.

Mr. and Mrs. Orville Kinsey of Saginaw motored to Grayling Sunday to visit at the home of Mr. and Mrs. Roy Wilcott. They returned home Monday accompanied by Mrs. Wilcott and daughter Ellen.

Charles Ford will leave soon for Quebec where he will remain for a short time before sailing for England. Ford left England when he was fifteen years of age, and has been planning a trip to that country for some time.

Mr. and Mrs. George Edwards and Mrs. George Edwards and son Ned motored from Detroit Sunday and visited at the home of Mr. and Mrs. John Edwards. Mr. Edwards and Mrs. Tryman are brother and sister of Mr. Edwards.

Mr. and Mrs. Gerald Eckhardt of Detroit have been the guests of Mr. and Mrs. Charles Ewalt and family for a week, returning to Detroit Monday. Mrs. Eckhardt is a sister of Mrs. Ewalt. The young couple were here on their honeymoon.

The ladies of the Moose Club enjoyed a party Wednesday afternoon at the G. A. R. hall. Each lady had the privilege of inviting one. Five hundred was played. Prizes were won by Mrs. Will Havens, Mrs. P. E. Mahoney and Mrs. Herbert Gotro. A lovely serve self lunch was enjoyed.

Mrs. Rasmus Bay, of Corvallis, Montana, who has been sojourning in Europe for several months, arrived in Grayling yesterday morning to visit her sister, Mrs. Lars Rasmussen, and her brother, Rasmus Hanson. Mrs. Bay while abroad spent some time at her childhood home in Denmark.

Theo. J. Werle, executive secretary of Michigan Tuberculosis Association will be in Grayling on September 19th to talk to this organization, the sale of Christmas seals and what is being done with this money. This talk is free, and will be held in the High school. Everybody is invited to attend.

The Sisters of Mercy and the members of the Senior class of the Mercy Hospital Training school announce the conferring of diplomas to the class of 1922, to take place at the High School Auditorium on the evening of September 13th. The public is cordially invited to be present. Eight o'clock is the hour. Miss Edith M. Wellington and Miss Mary Helen Flynn are the members of the class.

Anyone traveling about Northern Michigan cannot help but observe that crops in Crawford county are equal to those of other counties and in many cases superior. Corn here is way ahead of any to be seen anywhere else; the stalks are higher and the ears larger and fuller. Potato crops look good everywhere. Also apples, peaches and plums. In most orchards the trees are so heavily laden that the branches have to be propped up to keep them from breaking off. There are going to be record breaking crops of apples in Michigan, this year. The cherry crop was big. One grower near East Jordan reported that he shipped nearly six tons of cherries and that he lost about five tons because of being unable to ship at the proper time. Another thing that is very noticeable is that occasionally you see an orchard that has but little fruit and invariably it may be learned that these places have not been properly pruned and sprayed, and the apples from such orchards are generally wormy and do not keep well.

Eastman Kodaks and films.  
Central Drug Store.

Russell Cripps is the new clerk at the Simpson Company grocery.

Five hundred dollars the first day. That satisfies me that my friends appreciate my sale.

Mrs. Marie Fischer left this afternoon to spend a few days with friends in Bay City.

Mr. and Mrs. William Brennan and children motored to Saginaw to visit relatives Saturday.

Mr. and Mrs. C. J. Game and Mr. and Mrs. Roy Milnes enjoyed a motor trip to Petoskey and Mackinaw Sunday.

Mrs. W. H. Ketzbeck returned Saturday from a week's visit with her mother Mrs. Mary A. Ferguson at Kalkaska.

Misses Marquita and Eleanor Land returned Monday from a visit with their grandmother at Cheboygan, several weeks.

Mrs. Hans L. Peterson and children left Wednesday for a visit with relatives at Hardgrove. They expect to remain three weeks.

Mr. and Mrs. John Goudrow had as their guests over Sunday the former's daughter, Mrs. Tressa McFadden and son Daniel of Bay City.

Bert Deffrain and Otto Davis have returned to Detroit to resume work at the ship yards after visiting their families for a few days.

Read our advertisement of quality goods in used furniture and Saturday specials. Ask the clerk for these bargains.

After having enjoyed the month of August the guest of her sister, Mrs. Benton Jorgenson, Miss Mildred Bowman returned Friday night to her home in Detroit.

Miss Irene Gibson entertained Mr. and Mrs. Kalamazoo here over Sunday. Mr. Cornwell accompanying her here by auto to take up his duties as teacher in the local schools.

Miss Laura Thompson of Twinning is the guest of Miss Margaret Nelson a few days this week, enroute to Johannesburg, where she will teach this year. Miss Thompson was a former teacher of the Grayling schools.

Mr. and Mrs. Spencer Mielstrup and children of Detroit were guests over Sunday and Labor Day of Mrs. Mielstrup's parents, Mr. and Mrs. Victor Salling. They made the trip by motor.

Willard Campbell of Mt. Pleasant is enjoying a couple of weeks here, joining Mrs. Campbell, who has been spending a number of weeks the guest of her parents, Mr. and Mrs. Fred Hanson.

Adolph Peterson and Mr. and Mrs. William Bromwell and son, Fred left this morning for West Branch to take in the fair, and to accompany the former's family home, the latter who have been visiting relatives there.

Large numbers of our town people are attending the fairs at Gaylord and West Branch, today it being an ideal day. Several parties motored. The big attraction at Gaylord today is the base ball game to be played between the Grayling Cyclones and Bayne City.

Miss Nellie Charlefour will assume her duties at the N. Schlotz grocery next Monday after a two weeks vacation. Miss Charlefour and her mother Mrs. John Charlefour have been visiting relatives and friends in Jackson and Eaton Rapids during the time.

Miss Genevieve Sova and brother Emil accompanied by Mr. Nelson citizens of Bay City were guests of their sister Mrs. Alfred Sova over Sunday.

Tomorrow Mrs. Bobb expects her sister Mrs. Morris Hogan and little son Junior of Bay City to come for a visit.

Mr. and Mrs. Frank Teu and Mr. and Mrs. Carl Nelson have rented the hunting house on McClellan street and the former have already moved their household furniture from the rooms over the N. Schlotz store to their new quarters. Mr. and Mrs. Nelson will join them soon.

Mr. and Mrs. Nels P. Olson left Tuesday for Brewster, Minn. to attend the Golden wedding anniversary celebration of the former's oldest brother and wife, Mr. and Mrs. Hans Olson. They expect to be gone about ten days. Mr. and Mrs. Hans Olson are known to many in Grayling.

Mrs. Charles Woodberry and three children, returned Saturday to their home in Bay City after a two weeks visit with the former's mother, Mrs. Clara McLeod. Miss Annabelle McLeod and a friend, Miss Marie Aviehouse of Detroit, who spent a couple of weeks visiting here returned Friday to Detroit.

Frank Teu reports a trip by truck last week covering 250 miles each way. He took a load of household furniture weighing 2,500 pounds for Geo. Loellen to Olyett, Mich. He said the driving time for the entire trip was 26 hours, and that he arrived at the end of his long journey without breaking a single article. We believe this is the longest trip ever made by any of our Grayling Truck owners.

S. E. Clark and wife, Grant Canfield and wife, S. H. Kellicott, wife and two children, and Mr. and Mrs. Frank Canfield and two children, whose cottages make up Camp Sunshine at the Danish landing, closed their cottages and left today for their homes in Detroit. These families arrived here June 23 and remained until this time.

To add to the pleasures of their pleasant summer homes this year a nine-hole golf course was constructed. This has afforded a lot of pleasure to the party and we are quite certain that this is Crawford county's first golf course.

"Pete" Johnson our clever backstop played with the East Jordan team against Harbor Springs at the latter place last Sunday and Harbor Springs was defeated by a score of 11 to 10, but East Jordan met defeat at the hands of the Charlevoix team the following day by a score of 3 to 0. Clarence Johnson of Grayling pitched for East Jordan in the Charlevoix-East Jordan game, and "Pete" played behind the bat. A number from Grayling witnessed the game, which was a most interesting one. East Jordan are booked to play Grayling Saturday and Sunday, September 16 and 17, and fans are assured of some interesting games, a treat both days.

Buy genuine Edmond Foot-Fitters at E. J. Olson's.

# Corticelli and Allies All-Wool Yarns

## Grayling Mercantile Co.

The Quality Store.

Ruth McCullough was in Gaylord on business Saturday.

Mr. and Mrs. Harry Simpson motored to Mackinaw Sunday.

Mr. and Mrs. Bert Chappell of Williamston, Mich., arrived Saturday to visit relatives.

Mr. A. P. Farling and daughter Miss Francis have returned from a visit with relatives in Detroit, Ann Arbor and Battle Creek.

Miss Hilma Peterson returned Wednesday to Detroit after visiting her parents Mr. and Mrs. Andrew Peterson for a couple of weeks.

Mr. and Mrs. M. Brenner, son Clarence and daughters Annabel and Elaine returned Wednesday from a couple of weeks visit with relatives in Detroit and Chicago.

Mr. and Mrs. George Wendt and daughter Mary Jane of Detroit arrived Saturday to visit the latter's parents, Mr. and Mrs. Charles Wilbur and family. Mr. Wendt returned to Detroit Monday night.

Mr. and Mrs. R. H. Gillett and Mr. and Mrs. O. P. Schumann left last Saturday night on a three day auto trip, visiting East Jordan, Charlevoix, Petoskey, Bay View, Harbor Springs, Mackinaw Island, Cheboygan and other places of attraction.

Mr. and Mrs. Geo. N. Olson and daughter Georganna accompanied by Miss Nola Shueley and Wilfred Laurin motored to Charlevoix. Labor day to take in the East Jordan-Charlevoix base ball game, returning by way of Petoskey.

Mr. and Mrs. M. R. Crowell and baby attended an annual picnic of managers of the A. & P. Tea company, at Beaver Lake near Petoskey Sunday and at Mackinaw Island on Labor Day. Managers of the various branch stores of the firm located in this northern section, and their families took part in the affair.

Mrs. Frank A. man and family, who have been at their cottage at Lake Margrethe since the first of August left Saturday for their home in Saginaw, in time for the Ahman children to resume their school duties. Miss Helen Brown returned with them to continue her studies at Bliss-Alger college, after a two weeks vacation spent at her home here.

Mr. and Mrs. Carl England have been entertaining at their cottage at Lake Margrethe the following guests: Mr. and Mrs. Roy Billings and son Bradford of Bay City, Mr. and Mrs. Jos. Wright, Mrs. Nild, Mr. and Mrs. Charles Snogren, Corinne and Warren Snogren, all of Saginaw. They have all returned to their homes, after spending three weeks at the lake.

Benton Jorgenson was very much surprised Thursday evening when several of his friends came in to spend the evening. Arrangements were made by Mrs. Jorgenson for the affair in honor of his birthday anniversary. 5000 was enjoyed. Mrs. John Holliday and Miss Carrie Jorgenson winning the ladies prizes and John Holliday and Adler Jorgenson the gentlemen's prizes. A sumptuous lunch was served.

Mr. C. W. Lydick of Dayton, Ohio, a guest of James E. Richardson at his summer home near the rift range at Lake Margrethe, had an exciting time one day last week when a nine pound pike that he had tied to the side of his boat, made a grab at him, and he lost some ugly wounds on his right thumb.

He was fishing and had landed several large bass and pike, which he fastened with a chain strainer and let them over the side of the boat to keep alive. It happened to let one hand hang over the side of the boat and almost in an instant one of the pike, a nine pounder, made a strike at it and got a thumb into its mouth and gave it some deep teeth wounds before it could be made to loosen. Mr. Lydick still has the scars on his thumb and says that he intends to be more careful next time.

Born to Mr. and Mrs. Harley Dilts, a son Thursday.

Born to Mr. and Mrs. Charles Hazen, son, Thursday, August 31.

Miss Margaret Gendron attended the fair in Gaylord Wednesday.

Mrs. Ed. Cooper and son Lawrence returned Saturday from a week's visit with relatives in Detroit.

Mr. and Mrs. William Blaine and Mr. and Mrs. Dolph Sancier and two children motored to Gladwin Saturday morning returning Monday.

A daughter was born to Mr. and Mrs. George Repas on Sunday August 20. The little girl weighed 10 pounds and has been named Grace Leone.

Mercy Hospital Aid Society will meet with Mrs. Esbern Hanson at Lake Margrethe Thursday afternoon, September 14. Mrs. C. W. Hanson will assist in entertaining. Members please meet at Shoppensons Inn at two o'clock.

The annual Picnic of the Old Fellows and Rebekah lodges of Five Lake, Kingsley, South Boardman and Kalkaska was held at Five Lake Labor Day. Over a thousand members attended and enjoyed a day on the shores of one of Michigan's most beautiful lakes. The local lodges were represented by Mr. and Mrs. George Kirkendall, Mr. and Mrs. Al Lindahl, Mr. and Mrs. Chris King and Mrs. Scott Wiley. All report a fine time.

## JOHNNY EVERS, COACH OF WHITE SOX, NO LONGER UMPIRE BAITER

Evers as He Appears in His Uniform and in Street Dress.

John J. Evers, coach of the White Sox, has quietly been establishing a record for himself in his first season as an American leaguer that few have given a passing thought to, yet many have observed without comment. Johnny used to be a great umpire-baiter, and "the lightning bolt" in his days as a National league performer, but strange to say, he has not had a single altercation with one of Dan Johnson's umpires this year.

"It seems kind of queer not to be ragging somebody," said the Sox coach recently, "but I just made up my mind when I came into the American circuit I'd be a good boy. It is hard sometimes, but I just climb my teeth and remember that the ump usually has the last word, and so I've probably overcome a great fault—at least, something the public looked upon as a fault."

## CLEVER AS THIRD BASEMAN

Apparently—Everybody—Agrees That Howard Shanks Belongs to Outfield, Except Manager.

Howard Shanks, third baseman for the Washington team, belongs in the outfield. Everybody apparently is agreed upon that, except the few that have the matter in hand. However, Shanks last year led all third base-

Howard Shanks.

men in the league who he accepted 571 chances at third in 154 games. This total gave him an average of 3.49 per game. And he set a new record for third basemen by starting 27 double plays.

**Plan New Bleachers.** The Polo grounds will have new concrete bleachers next season. The present wooden seats will be torn away and a double-deck bleacher erected in place of them.

**He's Topcorer's Brother.** William Topcorer, the twenty-year-old representative of the Morris-side A. C., New York, is the new Metro-politan pentathlon champion. He is a brother of George Topcorer, shortstop of the St. Louis Nationals.

## AROUND THE BASES

Wichita Falls seems able to win no matter what happens.

Every time the umpire calls "Strike" it just ruins the game for everybody.

The only way to get a thrill out of a home run nowadays is to knock two of them in one inning.

Wade Leder, formerly with the Baltimore Orioles, has been going like a million dollars since joining the Athletics team.

Jim Roberts, San Antonio pitcher out under option to Greenville in the Cotton States league, has been going so big in the Cotton States that the San Antonio club will call him in as soon as it can make room for him.

Max Carey, like Tyus Raymond Cobb, is hearing the age when most players are about ready to retire as a major leaguer, but the Pirate outfielder is an exception.

Chick Gagnon, sent by Detroit to Rochester, got off to such a good start that the critics thought it necessary to warn the fans not to expect him to keep it up all the time.

Concordia college of St. Louis has furnished another major league graduate. He is a catcher, Norman Bakke, who has been taken on by the Brooklyn club for trial.

It might be noted that Wally Pipp, whom Manager Miller Huggins of the New York Yankees has been trying to shoofly for some seasons, is right now playing the best ball of any man on the New York team.

Frank Woodward's latest "return" after his latest suspension was notable. He insisted on pitching both games of a double header for New Haven against Albany to make up for time lost. He won them both.

## REFUSED TO JOIN CLUB

Hotel Statler at Detroit was having the ceiling of its lobby painted.

Decorators, scaffolding, paint cans, cans of paint, canvas and ladders were being used.

All this is not sufficiently extraordinary to make it worth even a hotel note. There wasn't an item of news in the whole lot until Ty Cobb entered the hotel. Cobb took one look and saw nothing but ladders. To advance a single step he would have to pass under one of them.

The Tigers had won eight straight games.

Cobb did not turn around and walk out. He retraced his steps by backing out, facing forward only after he had reached the sidewalk.

## OLD-TIMER PLAYS BASEBALL

En Sue Punge, Age Forty-Six, Father of Eleven Children, Has Been in Game Twenty-Five Years.

For more than a quarter of a century En Sue Punge, age forty-six years, has been playing baseball with the Island team.

Four times he has gone abroad with the championship team, twice to tour the mainland and twice to the Orient.

He is a regular centerfielder for the Chinese team, champions of the Honolulu Baseball league last season, and will be the father of 11 children.

Last year he batted .300 and his fielding placed him third at center field in a series of eight games. During his baseball career he has played on 15 championship teams.

**Amateur Pole Vault Record.** Mark Whelan, Cambridge, Mass., holds the world's amateur record for pole vaulting. In 1912 he reached a mark of 13 feet 2 1/2 inches. Phil Adams holds the record for vaulting for distance with 28 feet 2 inches. He made this distance in 1910.

**Augusta Gets Spencer.** Ray Spencer, catcher, has been turned over to the Augusta, South Atlantic association club, by the Detroit Americans.

## NO PUT OUTS AT FIRST

Among the first basemen in baseball, who have loafed through a game without making a single putout are McCauley, who played with the Washington Americans in 1891, who didn't have anything to do on August 6, that year; Jiggs Donohue, who died in an asylum in Columbus, O., July 10, 1913, and who made his record while with the Chicago White Sox, May 28, 1906. It will be remembered that Donohue accepted the greatest number of chances in a season. In 1907, Jiggs accepting 1,388 chances in 157 games. Artie Hoffman, while playing for the Cubs against Pittsburgh, June 24, 1910, went through a game without a putout and only one assist.

## FIGHTERS GET LAZY BY REMAINING IDLE

Don't Fight Often Enough, Says Old-Time Scrapper.

Tom Sharkey Expresses Belief That James Jeffries or Joe Choyinski Could Have Easily Defeated Jack Dempsey.

Tom Sharkey, the old-time heavy-weight, does not think so much of modern glove fighters. In a recent conversation he said: "Those present-day champions are all right, but I don't think they compare with the old-time men who really knew what the word

Jack Dempsey.

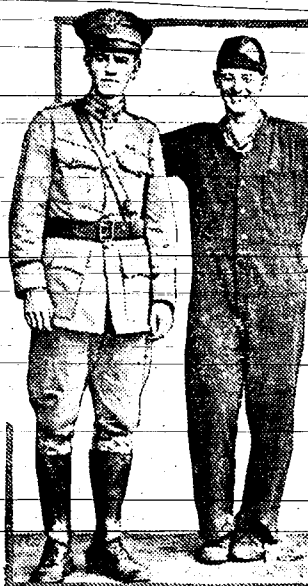

'fight' meant. Dempsey has to come to his opponent to be effective and that is just what I don't like. He slaughtered every one who did it. Another man who I think could easily have beaten Dempsey was Joe Choyinski. He fought like Jeffries and he was there when in his prime. In my opinion there is only one of the old-timers whom Dempsey could have beaten, that is Jim Corbett. I think he would have knocked out Corbett as easily as Jeffries would have beaten him. I am not underestimating Dempsey. I won \$2,500 the day he whipped Willard, and I seconded Jack the day he stopped Carl Morris. In my opinion Willard was not a coward, but he lacked a fighting heart, which every fighter must have if he ever hopes to win a big prize. All that Willard was interested in was the cash, and Tex Rickard set a record when he hung up \$100,000 for the big Westerner in his championship contest with Dempsey. The trouble with boxers today is that they don't work hard enough when they reach the top. When they gain the championship they become actors and let their strength slip away at some soft job. Dempsey is a champion today, but he would have needed little mention when he was fighting."

## Colliding Engines Are Fair Attraction in Illinois

In order to attract attention to the big fair at Aurora, Ill., on the new grounds, two locomotives were started at full speed and came together with a crash in front of a crowd of 50,000. To make the collision more thrilling, a quantity of dynamite was placed on the front of each engine.

## MAPS AIRPLANE ROUTE

Establishment of a permanent air route between Washington and San Francisco will be mapped out when Lieut. Paul Wilkins completes his trip from Bolling field to the Pacific coast in a D-H airplane. The photograph shows (left to right) Lieutenant Wilkins and Sgt. Leo Huckle. Adequate landmarks and the most safe landing fields between here and the coast are the principal objects sought during the flight.

## HAS SERVED LONG

Edward Dunn entered the government service in 1857 as a mounted messenger under Secretary of War Stanton. After 55 years' service he was relieved August 20. His co-workers presented him with a purse filled with gold, which was handed to him by Secretary Weeks.

## England's Star Chamber.

The Star chamber was a tribunal in England consisting of a committee of the king's privy council, instituted or revived by Henry VII in 1480. It had extensive powers and held itself unfettered by rules of law, dealing with civil and criminal cases without the intervention of a jury, and could inflict any form of punishment short of death. It was abolished by parliament in 1641, during the reign of Charles I. The court is said to have derived its name either from the gilt stars that adorned the ceiling of the chamber in the old palace at Westminster where it held its sessions, or, as is more probable, from the Jewish bonds (stars) deposited there by permission of William I.

## Anxious to Please.

At breakfast in one of the hotels an exceedingly hungry and fretful person within two minutes of giving his order began to squirm and demand when he was going to get his food.

"Waiter," he demanded, "for about the fourth time, 'where's my chop?'" "It's on the grill, sir," the waiter responded. "Will you have it now, or wait until it's done?"—Philadelphia Ledger.

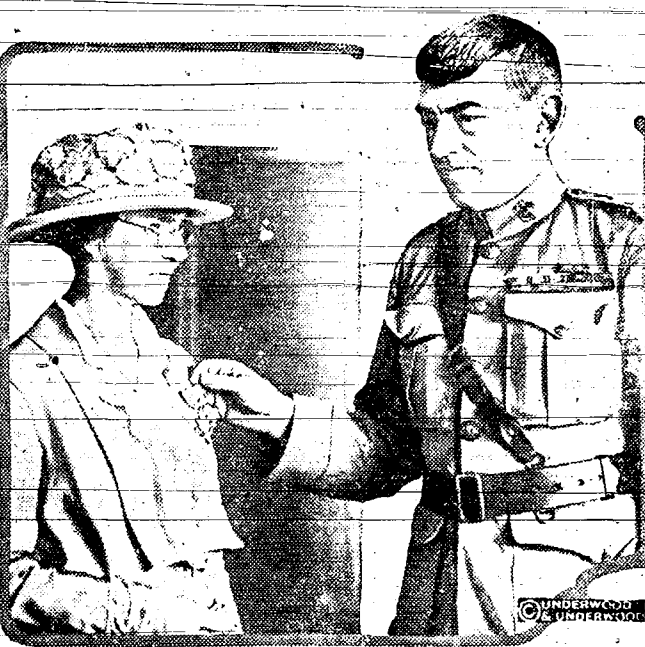

## Cheering to Meet of Us.

A French writer says: "He who is never foolish is not so wise as he thinks." An old Greek philosopher went even further and said: "The man who isn't a fool half the time is a fool all the time."—Boston Transcript.

## Woman and Art.

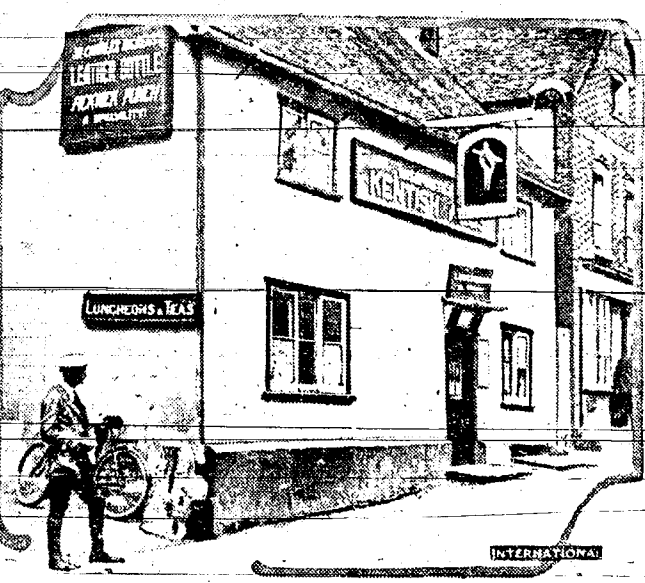

"The average person's idea of art," says Wagner, "is a woman with go clothes on." But the first artist woman put clothes on herself.—Virginia Pilot.

## Receives Her Dead Hero's Decoration

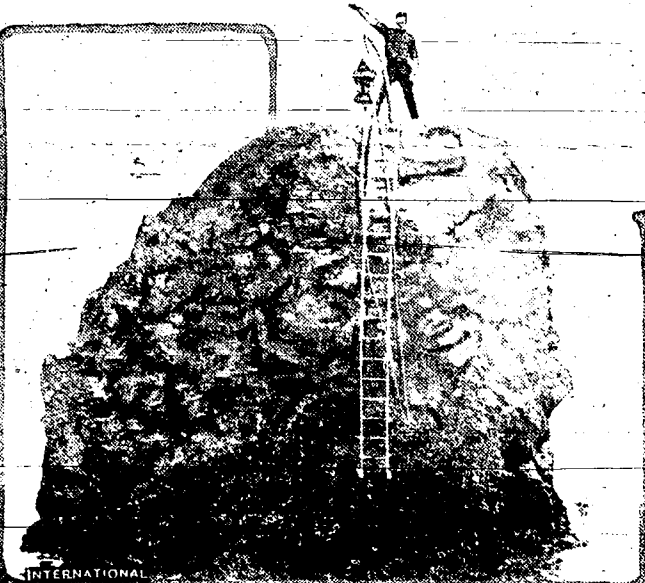

For bravery in the World war at the battle at Belleau Wood, in which he lost his life, Sgt. William J. Geary of Washington was posthumously decorated with the Distinguished Service cross, the decoration being presented to his mother, Mrs. Claudia Geary, by Maj. Gen. John A. Lejeune, chief of the United States Marine corps.

## Famous Dickens Inn Changes Hands

The famous inn at Coburn, England, known as the "Leather Bottle," is soon to be vacated by the present host, one of the most prominent of Dickens enthusiasts. The old inn, pictured here, has been a center of attraction for tourists and sightseers for it figures prominently in the "Pickwick papers."

## Does This Rock Look Like Mr. Bryan?

Pillar Rock, which is 20 miles above the mouth of the Columbia river, between the states of Oregon and Washington, has just been made an aid to navigation by the installation of a beacon light. If you will study the rock you will see that it resembles the face of a man. Folks in Oregon liken this face to that of William Jennings Bryan.

## BRIEF INFORMATION

Recent scientific tests have failed to show that electricity makes seeds sprout any faster.

Hand-operated machinery has been invented to fold old rifle cartridges at a speed of from 2,500 to 3,000 an hour.

Piedmont now holds first place among Italian states for number of hydroelectric plants of 300 or more horsepower.

Achiron, say that every city and town, when taken from the air, has a distinctive color.

For trimming hedges a machine has been invented that is suspended from a man's shoulders and operated by a crank.

For watch repairers who have many watches to wind daily an inventor has patented a "hand-operated" mechanical winder.

## Western Canada Land of Prosperity

Offers to home seekers opportunities that cannot be secured elsewhere. The thousands of farmers from the United States who have accepted Canada's generous offer to settle on government land or buy farm land in her provinces have been well repaid by bountiful crops. There is still available on easy terms

## Fertile Land at \$15 to \$30 an Acre

land similar to that which through many years has yielded from 20 to 45 bushels of wheat to the acre—oats, barley and flax also in great abundance, while raising horses, cattle, sheep and pigs is usually profitable. Hundreds of farmers in Western Canada have raised crops in a single season worth more than the whole cost of their land. With such success comes prosperity, independence, good homes and all the comforts and conveniences which make life worth living.

## Farm Gardens, Poultry, Dairying

are sources of income second only to grain growing and stock raising. Attractive climate, good neighbors, churches and schools, good markets, railroad facilities, rural telephone, etc.

For certificate entitling you to reduced railway rates, illustrated literature, maps, description of farm opportunities in Manitoba, Saskatchewan, Alberta and British Columbia, etc., write

J. M. MacLACHLAN

Authorized Agent, Dept. of Immigration and Colonization, Dominion of Canada

Don't trust sore, inflamed, smarting eyes with powder "drop" in by hand. A soothing, effective, safe remedy is MITCHELL EYE SALVE. 25 cents—all druggists.

## USEFUL for all the little ailments—

bumps, bruises, sores, sunburn and chafing. Keep a bottle in the house. It's safe and pure. It costs very little. CHESEBROUGH MFG. CO. (Consolidated) State Street New York

## She Changed Her Mind.

A gentleman named Cleveland woman, arriving in New York one day, gave the porter at the station a dime. The porter in a fit of pique threw it on the ground. The Cleveland woman picked it up. At the same time she explained gently that this was the only coin she happened to have in her purse, and in picking it up for a tip she had condemned herself to walk two miles to her hotel instead of taking the bus.

This explanation mollified the porter. "In that case, lady," he said, "I'll take the tip."

"No, never mind," said the Cleveland woman in her gentle way. "I think I'll take the bus."—Cleveland Plain Dealer.

## An Interested Onlooker.

"Have you seen Zerk Dawdle lately?"

"No," said Squire Witherspoon, "but Zerk's making his headquarters down where they're putting up a new store."

"Is Zerk working at last?"

"No, it ain't that serious. Zerk's kinder superstitious 'bout the job, along with several other gents whose wives run boardin' houses. If the workmen were to lay a brick or raise a girder without Zerk's consent it done it would spoil his day."—Birmingham Age-Herald.

None of the lamentations for "old-fashioned cotton bread" ever brings it back.

First thing youth misses when it leaves home is the cookie jar in the pantry.

## POLITICAL ADVERTISEMENTS

JESS E. BOBENMOYER

For Sheriff

I am a candidate for the office of sheriff on the Republican ticket; Primary election, Tuesday, September 12. Just as long as the present law and any other laws are in effect, I am nominated and elected sheriff of Crawford county, I will consider it my duty to enforce them. I do not intend to make a lot of campaign promises but I intend to let the people judge for themselves if they will give me a chance to show what I can do.

I will appreciate your vote on Primary day—Tuesday, Sept. 12.

## OLD FASHIONED YOUNG MAN.

Edward S. Jordan has made probably a hundred speeches on this subject. "Wanted—Old Fashioned Young Men."

That is the most thought-provoking subject I have heard of this year. Mr. Jordan, by the way, is a successful young man, the founder and president of the Jordan Motor Car Co. of Cleveland.

I missed the opportunity to hear Mr. Jordan when he was in our neighborhood, and so I asked him to give me a brief outline of his talk. He writes:

"The old-fashioned young man is a young man who has learned how perfectly simple it is to succeed once he learns a simple lesson which can best be illustrated by a statement once made to me by Henry M. Leland, that wonderful old man who built the Cadillac car.

"He said, 'Every young man reaches a point in his career when he has to choose one of two courses. If he chooses to be clever he will not have a great deal of competition. If he chooses to be honest he will have no competition. He will make an immediate success.'

"Most people I find are thinking superficially instead of fundamentally.

"You can get about 15,000 words in any smoking compartment on any subject from the rate of exchange to the liquor question. Most young men are spending most of their time talking about how conditions will have to materially change before business will come back.

## WILLIAM H. CODY

For Sheriff

Candidate on the Republican ticket, Primaries, Tuesday, Sept. 12. I served Crawford county four years as Sheriff and many people claim that I was the best sheriff this county ever had. There is no reason why I cannot equal and even better the record I made at that time. I believe in enforcing the laws and use sensible judgment in conducting the affairs of this important office.

I respectfully solicit your votes and hope to show my appreciation by good service, if nominated and elected.

## J. ALONZO COLLEN

REPUBLICAN CANDIDATE

For Sheriff

If nominated and elected I will give my best efforts to fulfill that office efficiently and well.

I will appreciate your votes. Primary election next—Tuesday, September 12th.

## JOHN SCHMIDT

Reed City, Michigan.

Republican candidate for State Senator, 28th District, who has served the Oscoda District during the sessions of 1913, 15, and 17, on such committees as Agriculture, Apportionment, Railroads and Ways and Means as well as having been appointed a

delegate twice to the National Farm Congress. Am opposed to the repeal of the Primary Law, but am in favor of extending it. If nominated and elected my motto shall be "Justice and Economy" for the best interests of the district and state. Your support will be appreciated at the Primaries September 12th, 1922.

## HORATIO S. KARCHER

Rose City, Michigan.

Republican candidate for State Senator from the 28th senatorial district.

If nominated and elected I will endeavor to give careful and painstaking consideration to every legislative measure and my sole aim will be to vote for the interest of my constituents and my state.

Your endorsement at the Primaries September 12th, 1922, will be appreciated.

of all the bootleggers in every locality.

"There are three fundamental characteristics of the old-fashioned young man. The first characteristic was spiritual—not that he went to church any more than the young man of today, although he did, but he had an appreciation for that fundamental which is the essence of success—the desire to be of service to somebody else.

"Second—he found it absolutely necessary to have knowledge of his business, because the telephone, the telegraph and the night letter had not been developed to their present height of efficiency. He had to know all about his goods and get the order the first time because he could not travel nearly so fast as a salesman can travel today.

"Third—he possessed the courage to ignore the sneers of the salesman across the street who was not so ambitious and who in these days makes

a bluff at working a few hours a day and spends the rest of the time talking about it.

"I asked one of our old-fashioned salesmen the other day whether he was not pleased that business was getting better. He said, 'No, I am not. I am afraid that a lot of my competitors who are loafing on the job will find it out and go to work.'

"The old-fashioned young man used to get to work on time in the morning. The old-fashioned boss used to be there, too, and while money was not made so rapidly as it was during the five years of the war, more of it was deposited and invested in interest-paying bonds.

"The year 1922 will reward old-fashioned young men. They have the greatest opportunity of their lives.

"It is only necessary for any young man who wants to make \$10,000 a year to make up his mind at eight o'clock tomorrow morning that he will stop thinking of himself entirely and start to work for the other fellow. The revelation that he will receive within a very few days will so inspire him and increase his own happiness that he will undoubtedly adopt the habit for the year to come.

"Once he forms the habit of serving the other fellow in such a way that the other fellow cannot help return the service, he will discover the first secret of success and personal happiness. Money, about which people talk so loosely, will come incidentally."

## HOT WEATHER DISEASES.

Disorders of the bowels are extremely common particularly during the hot weather of the summer months and in order to protect yourself and family against a sudden attack, get a bottle of Chamberlain's Colic and Diarrhoea Remedy. It can be depended upon. Many have testified to its excellence.

## CARD OF THANKS.

Our thanks and gratitude are extended to our neighbors and friends for the kindness and sympathy shown us in our late bereavement, the loss of our son and brother, also thanks for the beautiful floral pieces, which were many.

Mr. and Mrs. Rasmus Rasmussen and family.

## THE BEST TEST.

Is the Test of Time.

Years ago Wm. Christenson of Crestnut St., Grayling, told of good results from using Doan's Kidney Pills. Now Mr. Christenson confirms the former statement—says there has been no return of the trouble. Can Grayling people ask for more convincing testimony?

"I used Doan's Kidney Pills on different occasions and they have always proven of great benefit to me," says Mr. Christenson. "When my back was weak and the kidney secretions were too frequent in action a box or so of Doan's always cured the complaint."

The above statement was given October 11, 1916 and on April 28, 1920 Mr. Christenson said—Doan's Kidney Pills are one good kidney medicine.

"I cured me in good shape so I am glad to recommend them." Price 60c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Christenson had. Foster-McLarn Co., Mfrs., Buffalo, N. Y.

## DEPARTMENT OF THE INTERIOR.

U. S. LAND OFFICE at Marquette, Michigan, August 24, 1922. Notice is hereby given that William Arthur Dixon, of Grayling, Michigan, who, on June 10, 1915, obtained a Homestead application, No. 03988, for S. E. 1/4, S. E. 1/4, Section 18, Township 20 N., Range 3 W., Michigan Meridian, has filed notice of intention to make three-year Proof, to establish claim to the land above described, before County Clerk and Clerk of the Circuit Court for Crawford County, Mich., at his office at Grayling, Michigan, on the 4th day of October, 1922.

Claimant names as witnesses: Orson Corwin, of Grayling, Mich.; Earl Penn, of Grayling, Mich.; William L. Williams, of Grayling, Mich.; P. O. Box 243. M. A. Atkinson, of Grayling, Mich.; P. O. Box 56.

Geo. C. Jackson, Register.

8-31-5.

## MORTGAGE SALE.

Whereas, default has been made in the payment of the money secured by a mortgage dated the 26th day of September, A. D. 1917, executed by Alva E. Hittle and Stella M. Hittle, his wife, of the City of Elwood, State of Indiana, to George Burke, of the County of Crawford, State of Michigan, which said mortgage was recorded in the office of the register of deeds for the County of Crawford, and State of Michigan, in Liber H of Mortgages, page 288, on the 8th day of November, A. D. 1917, at eight o'clock a. m.

And whereas the amount claimed to be due on said mortgage at the date of this notice is the sum of one hundred eighty-three and 75/100 (\$183.75) dollars of principal and interest, and the further sum of fifteen dollars as an attorney fee stipulated for in said mortgage, and which is the whole amount claimed to be unpaid on said mortgage and no suit or proceeding having been instituted at law or in equity to recover the debt now remaining secured by said mortgage or any part thereof, whereby the power of sale contained in said mortgage has become operative.

Now, therefore, notice is hereby given that by virtue of said power of sale in such case made and provided, said mortgage will be foreclosed by a sale of the premises therein described at public auction to the highest bidder at the front door of the court house in the Village of Grayling, in said County of Crawford, on the 7th day of October, A. D. 1922, at ten o'clock in the forenoon of said day, which said premises are described as follows, to wit:

All that certain piece or parcel of land situate and being in the Township of Beaver Creek, County of Crawford, and State of Michigan, described as the northwest quarter of section twenty-nine, township twenty-five, north of range three west, except the portions sold off the north side of said land for highway purposes. Dated July 7, 1922. George Burke, Mortgagee.

Homer E. Fitch, Attorney for Mortgagee, Business Address: Grayling, Mich. 7-12-13.

## REALESTATE BARGAINS

REEL & SCHUMANN offerings for this week are the best buys that have ever been advertised here, and we are going to let the people of Crawford County have the first pick before we advertise them in the cities.

A SPLENDID HOUSE and large lot for \$900. This place must be seen to appreciate this bargain. It is an excellent location.

SEVERAL VACANT LOTS from \$25 to \$40.

ONE OF THE MOST beautiful homes as to appointments and grounds, located in Millionaire row; modern and up-to-date in every way, is being offered at an extremely low figure. We consider this one of the best bargains that has ever been offered.

SEVEN ROOM HOUSE and bath, electric lights, water, sewer, well located. Price reasonable. Terms.

NEARLY NEW 7 room semi-bungalow, frame on concrete foundation, electric lights, good location \$1050.

6 ROOM STUCCO, about 4 years old, basement, furnace, bath, electric lights and beautiful lawn, \$2,800.

RIVER AND LAKE PROPERTY. You know the value of river property, what do you think of these water front prices?

40 ACRES on the AuSable river with a half mile water frontage \$450.

40 ACRES in East Branch of the AuSable for \$350. Some good timber.

357 ACRES on Big Creek; stream winds in and out giving several miles of water frontage. This is splendid farm land and as some good timber on it, all fenced, 120 acre field of rye fenced separately. This can be bought for \$10.00 per acre.

160 ACRES on Big Creek at a remarkably low figure, owner did not want us to advertise the price.

WE HAVE 58 ACRES on K. P. Lake, at an attraction price. SOME LOTS on Portage Lake below the market value.

## FARM LANDS.

AN EXCELLENT FARM of 40 acres in Maple Forest, 11 room house, good barn and out buildings, 15 acres in orchard, balance in crops, one of the best bargains in the county, at \$1,200.

40 ACRES GOOD SOIL, small house and barn, land fenced, small orchard surrounded on all sides with good neighbors, good school near by, \$600 cash or \$700 on time takes 15.

ANOTHER BARGAIN, near same locality, 40 acres \$750 on time, small house, land all fenced.

80 ACRES, CLAY LOAM SOIL, near 3 nice lakes, 40 rods to East Branch, land partly fenced, 15 acres in cultivation, 6 room log house, barn, etc. This is someone's opportunity at \$600.

WE HAVE MANY MORE, we can't publish them all, come in, we can find something to suit you. Office over Salling Hanson Co. hardware store, opened afternoons.

## STATE OF MICHIGAN.

IN THE CIRCUIT COURT FOR THE COUNTY OF CRAWFORD IN CHANCERY.

Jesse J. Love, Plaintiff.

Edwin L. Alger, Napoleon Colt, Marie Abbott, Jackson, Lansing & Saginaw Railroad Company, a corporation, each of their respective unknown heirs, legatees, devisees, creditors, legal and personal representatives, successors, and assigns, William P. Benkelman, administrator of the estate of Napoleon Colt, deceased, and Michigan Central Railroad Company, a corporation, Defendants.

Suit pending in the Circuit Court for Crawford County, in Chancery, on the 7th day of August, A. D. 1922.

In this cause it appearing by the sworn bill of complaint and affidavit on file in this court that Edwin L. Alger, Napoleon Colt, Marie Abbott, Jackson, Lansing & Saginaw Railroad Company, a corporation, or each of their respective unknown heirs, legatees, devisees, personal and legal representatives, successors, and assigns, are interested in the subject matter of this suit, and whose names appear in the public records of said county as having at some time some right, title, interest, or estate in such subject matter, or who might have, or claim to have some benefit under such record, and that it is not known whether any of said last named defendants are living or dead, or if living where, and if dead whether any of them have personal heirs or representatives living, or where they, or any of them reside, or whether such interest has been disposed of by will or otherwise.

Therefore, on motion of H. L. Fitch, Attorney for the plaintiff, it is ordered, that all of said defendants above named, or their unknown heirs, devisees, legatees, and assigns, their legal and personal representatives, successors, and assigns, enter their appearance in said cause within three months from the date of this order, and that within twenty days from this date plaintiff cause this order to be published in the Crawford Avalanche, a newspaper printed, published, and circulating in said county, once in each week for six weeks in succession.

Guy E. Smith, Circuit Judge.

This suit involves the title of and is brought to quiet title to the following described premises: all that part of the west half of the northeast quarter of section eleven township twenty-six north range three west, lying north of the AuSable river, in Grayling Township, Crawford County, Michigan.

Studebaker

SPECIAL SIX

TOURING

WHEREVER you look, you will find protection against hard wear built into the Studebaker Special-Six and this quality of construction is just as exacting down under the surface as it is where you can see every detail.

The skillful workmanship and the fine materials of these hidden values are largely responsible for its long-lived, dependable service.

Two important elements that make the Special-Six notable for fine performance and comparative freedom from repair, are the four-bearing crankshaft and the seven-inch frame with its five cross-members and sub-frame support-

ing the motor and the separate transmission.

The new price, \$1275, is the lowest for which the Special-Six Touring Car ever sold—and the quality is better than ever.

Price does not always determine value, but in the case of Studebaker it establishes the finest values in the market. The name Studebaker on your car insures satisfaction.

Come in or phone and let us give you a demonstration in the Special-Six. Drive it yourself. A ride will help you make up your mind. In public confidence and respect, the name Studebaker stands higher than ever.

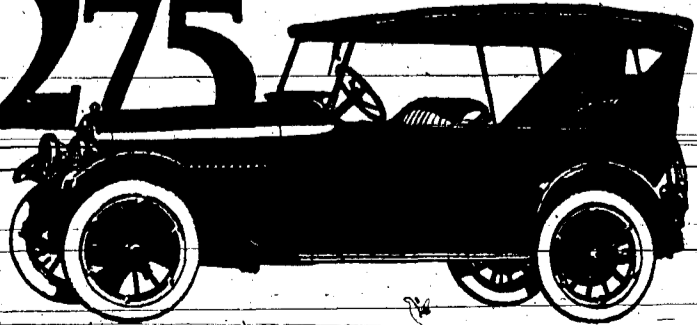

Rain-proof, one-piece windshield; coil lights; coil ventilator; massive hood; lamp; tonneau light with long extension cord; windshield wiper; light-day clock; chief-proof transmission lock; tool compartment in left front door; outside and inside door handles.
